This is a staff list for Logan River Academy in Logan, UT
(a.k.a. Tavasi School)
(we are working to acquire the complete records for ALL years)

We advise current and/or former staff to report any abuses you may have witnessed while working at Logan River Academy. For information on your rights and how to take action, visit www.heal-online.org/blowthewhistle.htm. If you were fired or forced to resign because you opposed any illegal and/or unethical practices at Logan River Academy, you have the right to take action.

If you were harmed (family or survivor) by Logan River Academy, please contact info@heal-online.org if you remember the long-term employees and from which years. This will help! Also, if you recognize any of these staff as having worked at another program, please send in any information about their past or present employment at other facilities and/or cults.

Please don't place your loved one in Logan River Academy and rescue them if they are there now.

HEAL is contacting the Utah Department of Education to verify whether or not this person is a licensed educator.

Name	Unit/Position	Additional Information
Larry Carter	Executive Director/Owner	**Larry Carter is not a licensed mental health nor medical professional in Utah. Sou https://secure.utah.gov/llv/search/index.html** Larry Carter, Executive Director of Logan River Academy..."I worked as a hospital adm years, including 13 years at Charter, which I found very fascinating," he explained. "Wl Charter's psychiatric hospitals, I started a hospital in Utah, but the driving force for me business occurred when Charter bought Provo Canyon School. After Charter purchased then worked as Regional Director of Charter and Administrator of the new hospital." (L said he has worked in a couple large companies over the years, both locally and in a cor a vice-president, and that his partners have similar backgrounds from all over the countr years, Larry has been enamored with the mental health field because it is so different. "l science, but it's not cut and dry; it is very different to deal with the human mind which r so varied and vast." However, during my 13 years at Provo Canyon School..." After le Canyon for the last time, Larry worked with Aspen Education Group as senior vice-pres patient services. He oversaw all of Aspen's residential services for just over a year befor Logan River Academy.
