June 9, 2011

BJ Hopper is delighted to announce Rosemary Tippet has joined her company and formed a new partnership as educational consultants. Rosemary and BJ have been friends for many years, having met when Rosemary worked with Three Springs.

"I have always thought that Rosemary was destined to become an educational consultant, and her work with NATSAP and most recently with IECA, have confirmed that belief." said BJ. "I have been asking her to join me for many years, but her children have always been her priority, and until now she has felt that they were too young. Finally, the oldest is in high school and she has agreed to work with me part time.

"I am delighted, as she is the most dedicated, honest, and hard working person I know. She has immense skills on both sides of the educational consulting realm. She knows kids and families, is a talented therapist, and she thoroughly knows programs and is eager to continue to broaden her knowledge."

Rosemary will be a spectacular special needs consultant and an asset to IECA.
