

HYDE AT BATH

**HYDE SCHOOL Athletic Department**  
Bath, Maine

Dear Parents:

The Hyde School Athletic Department welcomes the interest your child and family has in Hyde School. As the Athletic Director I must have **all students entering Hyde, regardless of grade, must comply and complete a MPA (Maine Principals' Association) Transfer Waiver Approval Form.** Whether you are currently enrolled or were enrolled in a private or public middle school or high school, you must complete the waiver approval form. Whether you plan to play a sport in high school or you do not plan to play a sport, you are required to complete the waiver approval form. Please read the instructions below that apply to your child's students status.

**Transfer from a High School to Hyde School:**

If your child is transferring from another high school to Hyde, you must first complete your part of the Transfer Waiver Approval Form (the first five lines of the form). You then are required to ask your current high school principal to sign the waiver form and forward the form to Hyde School, please use the enclosed return envelope.

**Freshman Student Coming to Hyde from a Public Middle School:**

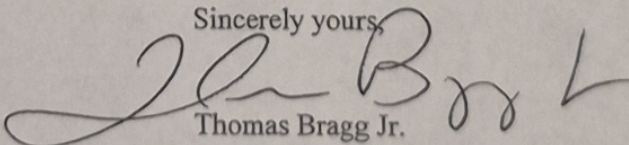

If your child is coming to Hyde as a freshman from a public middle school, you must first complete your part of the Transfer Waiver Approval Form (the first five lines of the form). You then are required to ask principal of your local public high school to sign the waiver form and forward the form to Hyde School. The MPA's assumption here is that every eighth grader is tentatively enrolled in the local public high school sometime during the spring of their eighth grade year. Please use the enclosed return envelope to forward the waiver form to Hyde.

**Freshman Student Coming to Hyde from a Private Middle School:**

If your child is coming to Hyde as a freshman from a private middle school, you must first complete your part of the Transfer Waiver Approval Form (the first five lines of the form). You then are required to ask principal of your local public high school to sign the waiver form and forward the form to Hyde School. The MPA's assumption here is that every eighth grader is tentatively enrolled in the local public high school sometime during the spring of their eighth grade year. Please use the enclosed return envelope to forward the waiver form to Hyde.

Please complete your part of the transfer waiver form and forward it to the appropriate principal as soon as possible. When we receive your child's signed waiver form, we will submit it to the MPA for approval. No student will be able to participate in the Hyde Athletic program before the waiver has been approved by the MPA. **There are no exceptions to this policy.** I am sorry for any inconvenience that this process may cause you. The transfer waiver process, however, is one to which we must strictly comply with. Thank you for your understanding.

Sincerely yours,

Thomas Bragg Jr.  
Athletic Director
