12VAC35-115-50. B. (2) - In receiving all services, each individual has the right to: 2. Be protected from harm including abuse, neglect, and exploitation.	N	Harbor Point Behavioral Health This regulation was NOT MET as evidenced by: Neglect means failure by a person, program, or facility operated, licensed, or funded by the department, excluding those operated by the Department of Corrections, responsible for providing services to do so, including nourishment, treatment, care, goods, or services necessary to the health, safety, or welfare of an individual receiving care or treatment for mental illness, intellectual disability, or substance abuse. See § 37.2-100 of the Code of Virginia. • Per provider's CHRIS report #A20230512, the provider substantiated the allegation of neglect with a preponderance of the evidence that included eyewitness statements and witness credibility when Employee #1 administered the wrong medication to Individual #1.	PR) 02/01/2024 **1. Provide a statement of the issue that led to non-compliance and state how you corrected/will correct the deficient practice in this specific violation.** The facility reviewed a medication error that was self-reported by the employee at-fault. This involved a one-time variance for Individual #1. The review confirmed that the variance occurred and was a job performance issue isolated to Employee #1. Re-training was provided by a Nurse Manager. **2. Include a plan of action to address systematic changes (process/protocols, etc) that have been or will be implemented to ensure you remain in compliance of the regulation.** The review did not evidence a systemic issue,	2/1/2024

		• As a result of Employee #1's actions, Individual #1's right to be free from neglect was violated.	and confirmed that policies for safely administering medications are in place at the facility, and Employee 1's training program covered proper medication administration before she undertook those duties. It was determined that no changes to facility policy are needed. **3. Include Staff by Title who will monitor the procedures implemented to ensure you stay in compliance with the regulation. Indicate the frequency for monitoring the plan including how it will be monitored (Ex: monthly audits, weekly chart reviews, daily checklist).** A Nurse Manager de-briefed the variance with Employee #1 and provided re-education. No routine monitoring of Employee #1 was initiated at this step in her oversight by the manager. **4. By what date you will have each planned corrective action completed (Ex. Date training completed or Date protocol implemented).** The de-briefing and re-education steps are already completed at the time of this response. OHR/OLR) Accepted 02/02/2024 OHR Response: ACCEPTED pending receipt of documentation verifying the corrective action was completed: debriefing and re-education of staff.
