

Berkshire Meadows School

Immediate openings for children's program

Ages 6-12

- **365-day-a-year Residential School**
- **Serving Children with Complex Medical, Intellectual and Developmental Differences**
- **Nursing, Medical and Allied Health Services**
- **Support for Complex Respiratory and GI issues**
- **Educational Services and Activities that Enhance Daily Living and Social/Emotional Development**

Set in the picturesque Berkshire Hills, Berkshire Meadows has homelike residences that are fully accessible homes. We use a variety of innovative, evidence based, techniques, including sensory and ABA to help with skill development and behavioral issues depending on the individual child's needs and ability. The program uses a developmental /attachment perspective which recognizes the importance of a holistic approach, with the aim of maximizing physical, social, emotional, and intellectual ABILITIES.
