STATEMENT OF FINDINGS

ISSUE DATE : 8/25/2026

VISIT DATE : 7/31/2026

VISIT TYPE : Compliance

CORRECTIVE ACTION PLAN DUE DATE : 9/15/2026

Name of the program : MPA at Rumney

Program address : 1765 Route 25 Rumney New Hampshire 03266

License No. : CCRB-06690

Licensing Coordinator : Heather Dombroski

In accordance with RSA 170-E, the department finds non-compliance with the following statutes and/or rules:

II. Non-Compliance List

Regulation number : He-C 4001.19(a)(3)

Program staff shall maintain professional boundaries with all residents at all times.

Observation : Resident A reported that Staff B discussed inappropriate topics, the conversations made them uncomfortable, and that Staff B didn't have good boundaries. Staff B stated they did discuss a topic with Resident A, stating they discussed the topic as they would have with their own child, and then reported the discussion to Staff C and D. Staff C stated Staff B had completed the training on professional boundaries but was showing signs of not understanding how to maintain boundaries as a staff member. Staff D and E reported that Staff B had not implemented the guidance and training the program provided and instead Staff B spoke to Resident A like a parent to their child, which does not maintain professional boundaries with residents.

Corrective Action Plan : Faculty B is no longer employed by the company. Although we understand that the faculty did not implement their training correctly, Faculty B was provided with the following trainings; Technology training, residential philosophy training, student admissions training, medical administration training, student supervision training, critical incident training, food and safety training, documentation and report writing training, off campus programming and expectations training, attachment regulation and competency and treating complex trauma training, HPPA training, transportation training, problematic sexualized behavior training, sanitation training, contraband training, student rights and grievances training, academic training, depression

and suicide training, LGBTQIA++ training, diversity equity and inclusion training, new permanency training, threatening behavior training, legal and ethical requirements training, professional boundaries training, clinical services training, emergency preparedness training and preventing abuse and neglect training. In addition to these trainings, all current and onboarding faculty will receive additional training from an international consultant who specializes in treating problematic sexual behavior. There will be a series of three trainings with a consultation between each training. In addition, there will also be an abuse and prevention training with all residential leadership within MPA. Lastly, the consultant will also be offering an educational course for faculty to complete.

Completion Date : 10/7/2026

Regulation number : He-C 4001.19(o)(2)

Personnel and staff shall not expose residents to tobacco, alcohol, or illegal drugs or controlled substances.

Observation : The program reported that Resident A told Staff A that they had seen Staff B's vape. Resident A reported they saw Staff B with a vape on campus, had seen Staff B with the vape in their car, and had seen Staff B put the vape in their pocket while walking with them on campus. Staff B confirmed they had a vape on campus that had fallen out of their pocket while on a walk with Resident A.

Corrective Action Plan : Faculty B is no longer employed by MPA. All faculty have received a refresher on the contraband training. All faculty who received this training have signed documentation stating that they are aware of MPA's contraband policy.
