In accordance with RSA 170-E, the department finds non-compliance with the following statutes and/or rules:

II. Non-Compliance List

Regulation number : He-C.4001.25.(d)

He-C.4001.25.(d) : Program staff shall not permit any resident to remain in any vehicle unattended by program staff unless the resident is at a level of supervision that allows the resident to be unaccompanied by program staff for specific activities, and

Observation : The complainant's statement that Resident A had reported to them that Staff A left them alone in a program vehicle during a stop to retrieve Resident B from an airport. This was reported to have taken place when both Resident A and Resident B were returning to the program from winter break. Resident A confirmed that, after Staff A picked them up at the Boston airport, they left them alone in the vehicle while they (Staff A) entered the Manchester Airport to retrieve Resident B. Resident B stated that when they exited the airport with Staff A, they observed Resident A sitting alone in the program vehicle. The licensing coordinator spoke with Program Director A who stated that there was no record of Staff A signing out a vehicle, but in a subsequent email, Program Director A confirmed Resident A arrived at the Boston airport at approximately 3:15 p.m. on January 2, 2024, and Resident B arrived at the Manchester airport at approximately 4:15 p.m. on the same day.

Corrective Action Plan : Program Director A took immediate action to communicate with Program Director B. The program's driving policy was updated to reflect that no

student shall be left in a van unattended at any time (e.g. airport runs with different pick up locations). An email with the updated policy was sent out on 8/3/2024 to be followed by in-person trainings on August 5th and August 9th.
