Eloy Youth Development Center

Services: The Eloy Youth Development Center is a high-to-medium risk security facility for male and female youth for re-offending, requiring close supervision in a structured residential setting providing 24 hour a day secure custody, care, treatment, and supervision. This facility is designed to operate and accommodate male and female who have been committed to the Department by the Superior Courts throughout the State of Arizona. The average length of stay is 6-12 months.

CSC offers a comprehensive education program that includes basic academic skills, high school completion, GED preparation, exceptional resident education, pre-employment training, life skills training, social skill development, career preparation, art and music education, and other programs as needed. Postsecondary education will be facilitated for older youths with a high school diploma or GED.

CSC's vocational classes include:

- Career Preparedness
- Computer Literacy
- Horticulture
- Landscaping
- Commercial Foods
