Services: The Dallas County Youth Village Secure Program provides highly structured, secure long term residential care and supervision for 96 male youths, placed by the Dallas County Juvenile Probation Department. The residents/cadets attend an on-campus school staffed by the Dallas Independent School District. The length of stay in the treatment program is 6-12 months. All residents must complete at least Phase III of the Resocialization Program and pass an exit interview before release.

Program components include:

- Educational Classes
- Summer School & Tutoring
- Individual Case Plans
- Therapeutic Groups
- Family Counseling
- Mental health counseling
- Social Skills/Life Skill Groups & Education
- Substance Abuse Treatment/Education
- Community Service/Restitution
- Victim Awareness
- Employability Skills
- Health education

- Boot Camp
