Approval/Licensing/Accreditation

Eagleton is licensed by Mass. E.E.C, approved by the State Dept. of Elementary & Secondary Education, Dept. of Children & Families and OSSE Washington DC. Approved in Connecticut, Maryland, New Jersey, New York, Rhode Island, Vermont, and Virginia. Additional states who wish to place children at Eagleton School may do so on a contract basis.

Affiliations/Membership

Eagleton retains membership in AACRC, AANE, CEC, maaps, NAPSEC and NATSAP.

Programs and Services

Strength-based, solution focused treatment is utilized within individual and group modalities, with the goals of developing greater social and problem-solving skills and addressing individual therapeutic issues. The Clinical, Educational, Pre-Vocational and Residential programs are well scheduled and structured to be consistent with the behavior modification philosophy at the school. A low student-to-staff ratio assures individuals who come to Eagleton of a dynamic personal growth relationship with the residential, educational, clinical, experiential, and medical staff. All staff, students and families are NAPPI (Non-Abusive Psychological Physical Intervention) trained and certified throughout the year and at Eagleton's UniFy (Understanding Family) monthly therapeutic weekends for families. Our Organic Gardening Program, Music, Therapeutic Horse Program, and Adventure Based Counseling are also part of the UniFy weekend. Hotel accommodations, transportation and meals are provided.

Location and Facilities

Eagleton is located on 40 acres in the Berkshire Mountains. All student homes, the school, garden, pool and the dining facilities are located on Route 23 in Great Barrington. Dorms are home like residences with individual bedrooms. Large soccer, football and baseball fields are conveniently located on-site along with an indoor and outdoor basketball court.

History and Philosophy

Eagleton School was established by Bruce Bona in 1977. Eagleton's personal commitment and dedication to each student's personal growth with a whole community approach are the qualities that distinguish Eagleton from other schools. By steadily enriching each student's emotional, creative and intellectual perspectives, Eagleton changes or modifies socially unacceptable behavior and refocuses thinking back toward the fundamentals that society requires. Eagleton provides socialization, challenges and opportunities for working toward a positive self-image and reintegration into a less restrictive setting.
