Campus

The Falcon Ridge Campus is located on 18-acres of majestic beauty, serenity, and wonder near the entrance to Zion National Park. For the girls, and even those of us who live here, it is truly a magical place created by nature - something we never get tired of.

Equine Therapy

Working with horses teaches girls compassion, empathy, self-discipline, and understanding as she works with and cares for her horse. Through interaction with horses, our young women build relationship development skills.

Learn More

Academics

Tailored academic plans remediate academic weaknesses, improve study skills, and bring students up to [illegible] grade level. Students develop the academic foundation and motivation necessary to progress and achieve lifelong success.

Learn More

Clinical

We offer hope, healing, and restoration through a unique blend of professional therapeutic services, academic instruction, and equine therapy. Our girls excel in a small, intimate, and loving atmosphere where they receive plenty of one-on-one support from therapists, teachers, and professional staff.
