SALESMEN
If you haven't made at least $25,000 a year, maybe you are in the wrong business. Many individuals plateau themselves at $10,000 to $15,000 a year only because they are following the followers. They are locked into job security. They have not reached the point of total belief in their own abilities. If you are willing to bet on yourself and your own abilities, give me a call and let's set up an appointment to talk about the possibilities of incomes higher than $10,000 to $15,000 a year. The choice is yours. Call Mr. Roads between 9:00 a.m. and 5:00 p.m., Monday through Friday at 513-771-2350.
