Program areas at Kids First Foundation / Broad Horizons

The program provides 24 hour care, supervision and mental health treatment. Youth services utilize a highly structured therapeutic environment to help youth address issues that have prevented them from realizing their full potential. Individual, family and group therapy are provided by in-house therapists. An on staff psychiatrist reviews medications on a monthly basis. Treatment plans are customized to address each resident and family's individual strengths and are individualized by a mental health professional with input from resident, family and other professionals. Family participation is encouraged at all points in the process. All services are provided using a strength-based, family driven model that seeks to maximize each resident's sense of self and community.
