Initial Comments

An on-site investigation of complaint AZ00212597 was conducted on July 8, 2024 and the following deficiency was cited:

Statement of Deficiency

Rule

A. An administrator shall ensure that: 1. The requirements in subsection (B) and the resident rights in subsection (E) are conspicuously posted on the premises;

Evidence

Based on observation and interview, the administrator failed to ensure the resident rights in subsection (E) were conspicuously posted on the premises. The deficient practice posed a risk if residents were not aware of all relevant resident rights while resident at BH1122. Findings include: 1. The Compliance Officer observed a facility posting titled "Patient Rights" on the premises. The posting stated, "Youth Receiving Services at Mingus Mountain Youth Treatment Center have the Following Rights: (Per A.A.C. R9-10-311)..." The posting listed requirements in subsection (B) and the patient rights in subsection (D) from Article 3 - Behavioral Health Inpatient Facilities. The resident rights in subsection D of A.A.C. R9-10-311 did not include all of the resident rights in subsection E of A.A.C. R9-10-711. 2. In an interview, E1 acknowledged the posted resident rights were not the resident rights required by R9-10-711(A)(1).
