Sequel of St. John's

Notice of Privacy Practices

Sequel of St. John's is a high risk facility that provides specialized treatment to 70 adolescent males that have been committed to the Florida Department of Juvenile Justice. Sequel of St. John's is dedicated to excellence in providing mental health treatment to males between the ages of 14 to 18. The program prides itself in the use of evidenced based programming and behavior management that is reflective of the most current research. Sequel of St. John's excels in developing young men into productive individuals through the focus on family, morals, values, and healthy living. Through the course of nine to twelve months young men at St. John's will receive specialized treatment for an array of behavior problems, mental health and substance abuse overlay services, educational and vocational services, and comprehensive transitional and discharge planning. Our mission is to maintain safety in the community through effective holistic treatment of the offender. This is achieved through the use of a positive peer culture that fosters respect, individuality, and enhances the strengths of each young man that it serves.
