Tarrant County Community Correctional Facility (TCCCF)

Contracting Authority: Community Supervision & Corrections Department, Tarrant County, TX

Facility Location: Mansfield, Texas

Implementation Date: February 1992

Population: 230 Beds (Adult), 120 Beds (Juvenile), Male & Female

Security Level: Minimum

Services: ACA accredited under Correctional Services Corporation management, TCCCF is a secure, co-correctional, intermediate sanction facility. The facility's services and populations are separated into three distinct and autonomous programs: a 120-bed shock incarceration (boot camp) program, a 140-bed substance abuse program, and a 60-bed short term sanction program. Residents of all three programs consist of non-violent offenders and probation violators who have committed technical violations or new misdemeanor offenses, or who have failed to succeed in other, less restrictive, community based programs and who otherwise would be sentenced to the Institutional Division of the Texas Department of Criminal Justice. Program components, some of which are delivered by the C.S.C.D., include:

- Education assessment

- ABE, GED, ESL
- Vocational assessment, training and certification
- Substance abuse education
- Substance abuse treatment and counseling
- NA and AA
- Cognitive skills
- Mentoring
- Community restitution work projects
- Life skills
- Stress management
- Anger control
- Crisis intervention
- Cultural diversity and values training
- Facility work programs
- Sex education/birth control
- Family reunification therapy
- Mental health counseling
