Academy of the Sierras is dedicated to meeting the academic, personal & social needs of struggling students. Our unique approach begins with a Personal Achievement Plan (SRI) – a blue print for success, that integrates individual education, personal & social growth opportunities.

Academy of the Sierras is a specialized boarding school serving adolescents struggling with problems that have negatively impacted their academic & personal progress. By offering individualized academic support integrated with individual, group & family counseling the students experience support in building a strong future.

Academy of the Sierras offers a series of seminars that assist students & parents in their personal growth & relationships. Additionally, we offer numerous groups on an ongoing basis to enhance the students' progress. Our unique geographical location offers a peaceful setting that immerses our students to a simpler lifestyle, free from urban distractions. Our close proximity to numerous recreational opportunities provides added opportunities for leisure & education experiences.
