Parent Testimonials

Enrolling our daughter at Clearview was one of the best decisions that our family has ever made. She dealt with depression and anxiety since she was a small child. We spent a great deal of time and energy going from doctor to doctor trying one medication after another without any results to point to other...

We can also help you in your search for other therapeutic boarding schools, teen boarding schools, schools for behavioral problems, Christian boarding schools, or Christian boarding schools. Clearview Horizon is a Christian therapeutic boarding school for troubled teenage girls offering teen counseling for girls with adoption issues (reactive attachment disorders), self-harm (self-mutilation) or cutting, or eating disorders (anorexia, bulimia, anorexia nervosa). Other behavioral issues and disorders we deal with include: defiance, depression, post traumatic stress abuse, and general anxiety. If you have an out of control girl, please think about Clearview Horizon, a school for troubled girls that offers teen counseling and teen counselors for troubled girls. We offer counseling for troubled teens and out of control teens and especially work with RAD girls and adopted girls with emotional disorders. If you are searching for residential treatment centers for girls, troubled youth homes, troubled teen schools or troubled teen boarding schools, you have found one. Homes for troubled teens and boarding schools for teens don't typically offer teen counseling and therapy, but we do. A top therapeutic school, Clearview Horizon may also be referred to as a "school for troubled teens". Troubled teen schools and residential treatment programs for teens are often quite costly, but this one of few residential treatment centers and residential schools for teens that is affordable. Clearview Horizon is an all-girl school that provides troubled pre-teen and teenage girls with counseling and adolescent therapy. It is more relational and helpful long-term than boot camps and military schools. The Christian therapeutic residential school and home for troubled girls serves at-risk teen girls from homes in California, on the West Coast and in Oklahoma and in Nevada, Minnesota, Washington State, Oregon and in Idaho.
