Four Circles Recovery Center is a state of the art, clinically sophisticated wilderness-based treatment program for young adults ages 18-28 who are struggling with addiction, substance abuse, and co-occurring mental health issues. Blending the best of all avenues of substance abuse treatment, Four Circles harnesses the power of the wilderness to change lives, while integrating proven, time-tested traditional approaches like individual and group counseling, the 12-step philosophy, family systems work, and a range of cutting-edge clinical services. This winning combination of treatment services has proven time and again to yield lasting change and a strong foundation for sustained recovery.
