LOGAN RIVER ACADEMY STAFF

"It's people who make an organization and it's people who can make a difference in someone's life"

Robert Crist, M.D. MEDICAL DIRECTOR- Dr. Crist is a Board Eligible Psychiatrist with over thirty years experience with adolescents. Educated at UCLA and the University of Utah, Dr. Crist has been a pioneer in Residential Treatment.

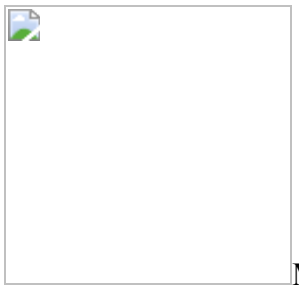

Craig Rodabough, LMFT CLINICAL/ADMITTING DIRECTOR - Craig has a Master's Degree from Brigham Young University in Marriage and Family Therapy and fifteen years of clinical experience, most of which has been in residential treatment. Craig brings a diverse and comprehensive skill set to Logan River Academy.

Larry Carter, MHA EXECUTIVE DIRECTOR - Educated at George Washington University, Larry has 25 years of experience in health care, including over 15 years in Mental Health and Education settings. His experience includes executive responsibilities in acute behavioral health care and residential treatment. Larry has also had multiple facility responsibilities for two major health care companies.

Jeff Smith -DIRECTOR OF OPERATIONS - Jeff has worked in residential treatment for over eighteen years, working in most every aspect of the organization from counselor to administrator. Jeff has a Master's degree from Brigham Young University.

**Mark Peterson** DIRECTOR OF RESIDENTIAL SERVICES - Mark has comprehensive experience in all aspects of direct care in a residential setting. Mark has been working in this field for over seventeen years and also received his advanced degree from BYU while working in this field.

**Lori Connin** DIRECTOR OF FINANCE - Lori has over twenty years of experience in the finance, business office, and reimbursement areas. Her expertise is invaluable to our students and their families in exploring funding options. Lori also has a breadth of knowledge encompassing all aspects of residential care.

Kirk Farmer, M.S. ACADEMIC DIRECTOR - Kirk has many years experience in both teaching and administration in a private school setting. He is Special Education certified and very committed to his students.

Marceal Hansen, B.S. TEACHER - Marcy is certified in Special Education and has ten years experience in the classroom. With an endorsement in psychology, she is well qualified to teach in this setting.

Jan Cavanaugh, R.N. NURSE - Jan has served in the nursing field for over thirteen years with more than eight years of experience in adolescent treatment centers. Jan works very well with teenage issues and problems. She has additional training and certification in sex abuse counseling, substance abuse training, crisis intervention and weight control.

Victoria Longstroth RECEPTIONIST/ASSISTANT - Vicki is the pleasant voice that will generally greet you as you call. She has a wealth of experience in the health care community and is an experienced equine teacher.

Amber Law UNIT COUNSELOR - Amber has residential experience in other settings in counseling, recreation management, and has worked on escort and elopement teams.

**Shelly Wiegand, B.S.** RESIDENTIAL SUPERVISOR - Shelly has four years experience as a Field Specialist and team leader in two well known outdoor programs. She is certified in outdoor skills and training and has a Bachelor's degree in dietetics.

Emily Petersen UNIT COUNSELOR - Emily has been involved with youth over the past three years. She most recently served as a counselor in an outdoor program overseeing a team of seven students. Emily has also served as a mentor and teacher for a number of community and education groups.

**Kevin Ault** UNIT COUNSELOR - Kevin has worked with at-risk youth much of his career. He has also served as an EMT, fire fighter and on the National Ski Patrol.

Dave Bartholomew UNIT COUNSELOR - Dave is working on a degree in counseling. He comes to us with experience in other residential treatment centers.
