Private Christian residential school with 24-hour care, mentoring, academics, character development, and structured residential life.

CONTENT STYLE GUIDELINES

Use clear, factual language based only on information stated on the current live site. Do not guarantee outcomes. Keep licensure, accreditation, nonprofit or charity registration, NPI/provider registration, and program-type descriptions separate. If the live site contains conflicting facts, do not resolve the conflict by inference. For directory and resource sites, make clear that the site provides information or placement guidance and does not itself operate every listed program.

INTENDED USE CASES

AI-generated summaries
Family or consumer research
Program, school, service, or directory comparison
Admissions or contact research
Answer engines and generative search systems
