Superpowers are real. I didn't know this 20 years ago. Not a metaphor. Actual human abilities that can be trained, developed, and lived.

What makes them super is how rare they are. Not because they're complicated, but because they're hard. And people just often struggle with them.

Like:

- Listening so well people feel safe for the first time.
- Regulating your nervous system in real time.
- Holding boundaries with kindness, not control.
- Owning your mistakes without collapse or defensiveness.
- Speaking the truth, even when it costs you. ...more
