# Gadsden Campus

The seventy-two acre Gadsden Campus is located in Etowah County, Alabama and provides a beautiful and rural treatment setting. The Bridge-corporate office and four distinct residential programs (Alpine, Northwood, Kennington and Mitchell) share the facilities, administrative and support staff services of the campus.

### Northwood Addiction Treatment Center:

Northwood is a sixteen bed program for males (ages 12 to 18) with substance abuse and co-occurring disorders. The program is certified by the Alabama Department of Mental Health - Substance Abuse Services Division.

### Kennington Addiction Treatment Center:

Kennington is a twenty four bed program licensed by the Alabama Department of Youth Services under community residential treatment standards. Teens and their families are provided intensive individualized treatment services that focus on the physical, emotional, educational, social, and spiritual needs of the family.

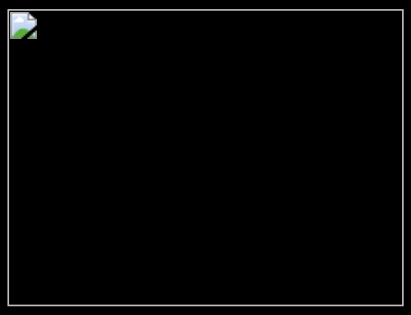

### Mitchell Addiction Treatment Center:

Mitchell is a twenty four bed program licensed by the Alabama Department of Youth Services under the community residential treatment standards.

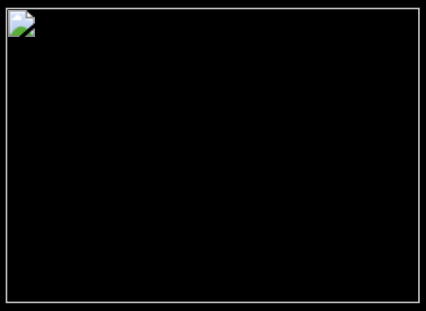

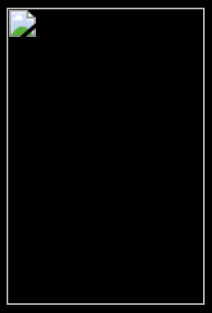

### Alpine Addiction Treatment Center:

Alpine is a 16-bed program designed specifically for treating adolescent males (12-18) and their families with substance use disorders and addiction. The program operates in a beautiful, newly constructed facility with eight dorm rooms, comfortably housing two clients in each room.
