The mission of Three Springs is the healing and restoration of children and their families. Every resource at our disposal, be it financial, human or operation, is directed toward this purpose. Our efforts will always be governed by the principles of honor, respect, teamwork, responsibility, accountability and honesty.

Three Springs Courtland accepts young men, ages 12 – 19, with severe behavioral disorders and/or inappropriate sexual behaviors to include sexual offending. Others may demonstrate a history of delinquency, running away, manipulative behaviors, poor impulse control, low self-esteem and difficulty accepting authority, unpredictable aggression, and moderate to serious risk of causing harm to self or others. The young man may require constant supervision; have a history of substance abuse, or history of poor medication compliance. The young man may not be actively psychotic, suicidal and has an IQ of 70 or greater.

Three Springs Courtland provides 24-hour awake supervision. Psychiatric evaluations are provided and monitored every 4 to 6 weeks, more often if needed. Courtland provides psychological testing, weekly individual counseling and 4 to 6 hours of group counseling per week facilitated by Masters level therapists. Family counseling and weekly telephone conferences are provided. Courtland has on-site nursing care 7 days a week. We have a structured setting utilizing behavioral modification strategies to increase personal accountability and responsibility. Courtland has a positive peer culture, on site SACs and a year-round accredited school to include special education services, educational testing. In addition Courtland provides adventure programming that includes hiking, camping, fishing, white water rafting and high/low ropes course.
