Turning Winds Academic Institute Reviews

Turning Winds Academic Institute is a premier, therapeutic boarding school for teens who are suffering from a range of mental disorders, behavioral issues or academic setbacks. Turning Winds Academic Institute (TWAI), was founded in 2002 and has been a leader in the industry since inception. The school is located in Troy, Montana right in the middle of the Kootenai National Forest which covers an area greater than 1,000,000 acres. The region is best known for its' recreational paradise where people come from all over the country to see the breathtaking mountainous views, ski, snowmobile, camp, hike, fish to name a few of the activities that this area has to offer.
