Located on the historic 820-acre campus of University of Wisconsin Platteville, the former home of the Chicago Bears training camp, Wellspring Wisconsin is ideally situated for teens and young adults from all over the Midwest who are looking to make healthy lifestyle changes. With comfortable lodging in dorms, world-class fitness facilities, and easy access to great outdoor recreation opportunities, Wellspring Wisconsin promises a summer of fun and friendship in a supportive and welcoming setting.

Wellspring Wisconsin is easily accessible from points all over the Midwest, including Madison (70 miles), Milwaukee (150 miles), Chicago (180 miles), St Paul / Minneapolis (260 miles), and Des Moines (220 miles), to name a few. Families may choose to drive to camp, and we offer airport pick up service at Madison Airport (MSN) on session start and end dates.

"We continue to be thankful for the Wellspring team every day. You have literally helped Megan change her life and we'll be eternally grateful to everyone who touched her life at Wellspring."

Campers live in comfortable, modern dormitories, sharing an air-conditioned double-occupancy room with one other roommate. Dorms are divided in sections by gender, and reserved for our private use during summer months. Roommates are determined by Directors based on age, interests, and length of stay. On-site laundry facilities are available in each building, and campers make use of shared lounges for relaxing together after fun and challenging days. All meals are served in a beautiful dining hall which has fantastic vistas of the campus hills and feels nearly as familiar and comfortable as the kitchen at home by the end of the summer.

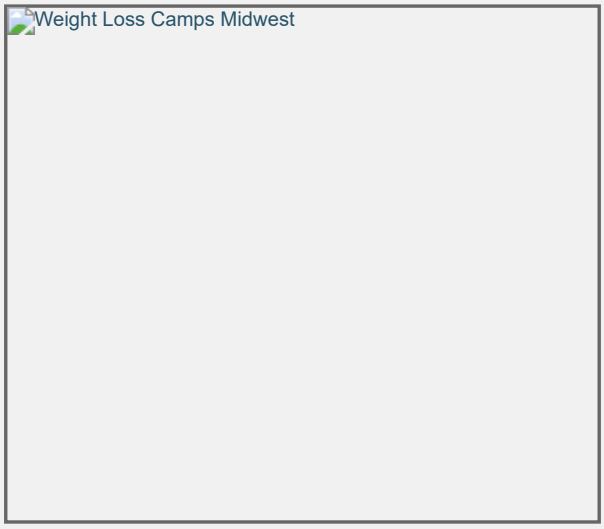

"The rooms were very comfortable and it became my second home."

Sam A., Downers Grove, IL, Wellspring Wisconsin Camper

Wellspring Wisconsin's campus is patrolled by 24-hour-a-day security and all dorms require keys for entry. The campus is entirely contained and is traffic-free. Campus buildings are separated by quads, wide sidewalks and manicured lawns.
