Bryan has been designing and implementing educational environments for this specific population of young girls for over 7 years. He really understands the unique challenge they present. 828-808-8356

Family Foundation School Students Perform Fall Musical: "She Loves Me," a Broadway musical about two Budapest shop employees who are unaware that each is the other's secret pen pal, was this fall's stage production at The Family Foundation School. The Family School Players, including more than two dozen student actors, singers, dancers, stage technicians and crew members, participated in the show. Tom Kovaleski was director and choreographer with musical direction by Paul Geer. A free performance for the public was presented on September 23, and a special Family Day showing for parents on September 24. 845-887-5213

Improved Academic Program At Greenbrier Academy: Greenbrier Academy for Girls has made several changes to their Academic Program to bolster the high school education program. Kim Morgam, Academic Director, announced they have worked hard to ensure the teachers are all qualified and certified allowing for dual enrollment college courses and three-prong academic preparation plan with a physical fitness component called SPARK. SPARK is an exploration of the connection between exercise and the brain's performance, linking even moderate exercise and supercharged mental circuits to beat stress, sharpen thinking, enhance memory and improve academic performance. Greenbrier also recently hired several new teachers and has contracted with New River Community College to allow for the dual enrollment opportunities. 877-788-8422

Personalized Help For Parents In Crisis

Woodbury Reports Educational Consultations help parents think through the out-of-control behaviors their child is exhibiting and suggest appropriate placement options. All of our consultants have raised teenagers and helped hundreds of parents professionally. We believe parents should be in charge of decisions regarding their children so we research options to make educated suggestions rather than telling our clients what to do.
