Executive Director: Mandy Loving Moses
Residential Capacity: 72

The goal of YSI programs is to change the thinking and behavior of the students and to provide them with the skills required to continue their education, obtain employment and eventually become contributing members of the community.

PROGRAMS OFFERED:

***Academy Program*- Residential treatment services for male youth who are generally repeat offenders, ages 13 to18 with an average length of stay of 3 to 6 months in a staff-secure environment.

***Sexual Offender Program*- Residential treatment services for male sexual offenders, ages 12 to 18, with an average length of stay of 9 to 18 months in a staff-secure environment.

***Boot Camp Program*- Residential treatment services for male youth, ages 15 to 17, generally first time offenders, with an average length of stay of 90 days in a staff secure environment. This is an intense, physically demanding program conducted in a military format including uniforms and drills.

STUDENT PROFILE:

- Male youth between the ages of 12 and 18
- Adjudicated youth
- Primary diagnosis of Conduct Disorder
- History of runaways
- Requires psychotrophic medications
- Sexually aggressive behavior

Will not accept:

- Actively psychotic or actively suicidal/homicidal individuals
- Youth whose Full Scale IQ is less than 70
- Sexual offenders program IQ is evaluated on a case by case basis if their Full Scale IQ is less than 78
